Ms. Dressler recessed the public meeting to convene the 2024-2025 Human Services Development Fund Public Hearing. Mr. Molter said the Housing Assistance Program component of \$10,812.00 includes \$4,000.00 set aside for administrative fees. The Human Services Development Fund of \$50,000.00 has seven spending categories: Meals for those from ages 2 to 59, which can also serve as a backup for Aging Office meals; Transportation for such things as food delivery, work transport and adult daycare; Homemaker Services for such tasks as cleaning and laundry; Contract Services, such as 211; Interagency Coordination; Chore Services for semi-skilled labor projects for home maintenance tasks; and Emergency Shelter, which provides \$10,000.00 of the HSDF annual allocation to the Gatehouse.

On a question asking whether more funds could be obtained for the Housing Assistance Program, Mr. Molter said the allocation is tied to the cost of living in Montour, and due to Geisinger, that rate is higher than much of the state. He noted federal ERAP rental assistance funds from the pandemic have also caused an unintended consequence as landlords raised rents, making low-income housing more difficult to afford. There being no further comment, the hearing was adjourned and the public meeting reconvened.
